Please complete your budget as an EXCEL document. If you do not have access to excel, please send it as a WORD document. Adapt the category titles and add line items as needed. For an Excel version of this template email the SSH team with Subject Line: "Send me Excel Version of Annex B." When you enter the number of units and unit cost, the total cost should automatically calculate. The subtotals also auto-calculate, which will feed into the budget total at the bottom of the spreadsheet.
